**Subject:** LWIs for the Noble Discoverer

Rick,

On behalf of Susan Childs, please find attached local work instructions (LWIs) for the *Noble Discoverer*. There are LWIs attached which address deck drainage, muds and cuttings, and chemical inventory. Please feel free to discuss details of the content of the LWIs directly with Lana Davis, but you may contact me as well should you have questions or comments.

Regards,

Greg J. Horner
